# BACKGROUND

---

## About SAH

Founded in 1940, the Society of Architectural Historians is a nonprofit membership organization that promotes the study, interpretation and conservation of architecture, design, landscapes and urbanism worldwide. SAH serves an international network of more than 3,000 institutions and individuals who, by profession or interest, focus on the built environment and its role in shaping contemporary life. SAH promotes meaningful public engagement with the history of the built environment through advocacy efforts, print and online publications, and local, national and international programs.

## About the Conference

The Society of Architectural Historians is excited to host its 78<sup>th</sup> Annual International Conference at the Hilton Atlanta, April 30 –May 4, 2025. SAH members from around the world will convene to present new research on the history of the built environment and participate in keynote talks, networking receptions, and tours of the area's architecture and landscape. The SAH conference provides a forum for professionals who work with the history of the built environment, including architectural historians, art historians, architects, landscape architects, and preservationists, to exchange ideas and discuss local, regional, and global issues.

The conference showcases the distinctive architecture of Atlanta to regional, national, and international audiences through a series of expert-led architecture tours in and around the city and a preservation seminar on an issue of local importance. These events are open to the public.

SAH 2025 ANNUAL INTERNATIONAL CONFERENCE  
ATLANTA, GEORGIA, USA • APRIL 30 - MAY 4 • SAH.ORG/2025

SOCIETY OF  
ARCHITECTURAL  
HISTORIANS

“Of all of the scholarly conferences at which Yale University Press exhibits, the Society of Architectural Historians is by far one of our very favorites. The members are committed to scholarly publishing and pay close attention to the titles we bring every year. They also buy books—SAH’s conference generates the highest revenue, per attendee, of any event to which we travel, with regular average sales of several hundred dollars per registrant, a fact I still find remarkable. We value the opportunity to be part of the SAH community and appreciate the continued regard SAH shows to all of its exhibitors. This is an enormously valuable conference for Yale. We wouldn’t miss it.”

– Michelle Komie, Former Senior Editor, Art & Architecture, Yale University Press (Princeton University Press)

“I thought the exhibit hall was great, and we had much higher sales than expected. We’ve never attended before so it has definitely made us aware that this is a good book-buying crowd, and we will keep SAH on our radar to attend in the future. It was a very successful conference for us!”

– Jamie Jones, Advertising and Exhibits Manager, Wayne State University Press
